SUBJECT: Personnel Files to be destroyed

We have recently consolidated and reviewed all records in the City Manager's Office which have reference to Personnel Administration. As a result of this action, we have assembled a small amount of materials of miscellaneous nature to be destroyed.

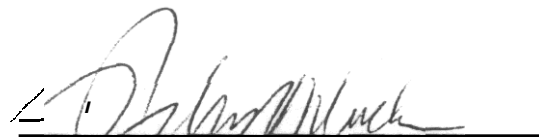

The records contain materials (i.e., correspondence) dating back as early as 1951. There are no personal files covering current or former employees of the City.

This action is requested as specified in Section 34090 of the Government Code in which approval of the legislative body (City Council) and the written consent of the City Attorney is required.

If you have any questions regarding this request, please do not hesitate to contact me.
